Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Thursday 24 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain overnight and becoming breezy. Sunshine and showers tomorrow.

This Evening and Tonight:
A cloudy evening with outbreaks of rain in the north. Overnight, rain will gradually sink southwards across the region, clearing most areas by the early hours. Becoming quite breezy for some. Minimum temperature 8 deg C (46 deg F).

Friday:
Rather cloudy with a mixture of rain and showers at times with brighter spells in between. Remaining breezy for some and feeling rather cool. Maximum temperature 19 deg C (66 deg F).

Outlook for Saturday to Monday:
Often dry but cloudy on Saturday with some bright spells, though the odd shower possible later. Rather cool. Largely fine and dry on Sunday and Monday, feeling warmer too.
